Here is a summary of the features and content of the action RPG that is currently on the App Store for iPhone. ABOUT THE ELDEN RING TRILOGY (1) Tarnished The action RPG adventure for iPhone. By taking on the role of a fallen character who has fallen to the Darkest Abyss, you will fight for the protagonists on the battlefield of the lands between and venture into the depths of the endless dungeons, further to save the world. Tarnished, the main character, is a fallen man known as a Tarnished, who no longer has a soul and has been left to his own devices after having been defiled. Tarnished is sent to the Darkest Abyss with the intention of being destroyed by the dark nemesis, the Demon King of War who has a blood thirst for the Eldaen and their rivals, the People of Light. (2) Rise The second installment to the trilogy, Rise. Tarnished goes on a journey to find the lost and forlorn from the Eldaen, the People of Light. Tarnished begins to regain his soul by interacting with those who have fallen deep into the Darkness, and many challenges await as he roams the lands between. (3) Reflect The third installment to the trilogy, Reflect. You can find the main character, Tarnished, in the desolate lands between. Tarnished is now the heroic commander of the Eldaen, and he leads a group of soldiers who share a passion for justice and strive to protect the lands between.
