5 new levels were completely made by me (and an additional 2 half-levels) There are 11 new puzzles  
Playing the game was great fun and challenging. Just enjoy! ----- Donations go toward: ->  
The game is completely FREE to play -> I make my games for FREE because of you guys -> This is  
my favorite money-making tactic for indie games so that I can continue to make more games and  
pay my bills -> So if you want to help support this and more great games, click the button below and  
CHOOSE RED! ----- FAQ Q: How hard is this game? (PLZ D:) A: The game is not difficult to  
complete, but you'll need to have a bit of patience to beat it all. The game does require a pretty  
strong memory. You might want to read on the main menu and skip to the start of the game. Q:  
Where's the exit/end level? A: I had to remove the end level. As the game's very short I didn't want  
to do that. Q: But I've already played this game a long time ago! A: I updated the game with a lot of  
new puzzles and a few bugs fixes. Q: When it says "You died" what does that mean? (D:) A: You just  
need to restart the game. Q: I'm having problems when I play the game A: Have you read the FAQ? If  
you didn't read the FAQ at the beginning, you'll have to restart the game. If you're having any other  
problems let me know. Thanks again for your support! ----- Lingua Fleur: Lily UPDATED AUGUST 17,  
2010 (COMPLETELY NEW GAME) ----- Hello everyone, I'm here to let you know about a cool  
new game of mine:Lingua Fleur:Lily! It is a visual puzzle-adventure about a poor girl who is lost in a  
forest trying to find her way home. So far everything is made by me. You'll be able to play the game  
for free, but I will appreciate any support. The game is in english, french, german and rusian, and  
there are 40 different game levels. The game has English, French, German and Russian voices. (I'm
