Labels Thursday, June 29, 2014 Are you interested
in a property that has all modern conveniences
including a double car garage? Well I have just
stumbled across this lovely home for sale at Glebe
in the suburb of Edens Grove. The home offers a
large entrance through the front and the back
yard is fenced and pet friendly. The home is well
catered for with double lock up garage and a large
shed for all your gardening tools and toys for the
kids to play with. On the northern side of the
house the property has a larger plot with more
room to play around with. Not only will you be
able to keep all the kids busy with a doggy in the
back yard but you will also be able to entertain
friends and family with a back garden BBQ and
suntan area. The home has four bedrooms
including two with double beds (all linen included)
and bathrooms, all e79caf774b
