Stats Training Mode: You can now practice tricks or skills by using the new in-game training mode, Stats. This mode gives you a range of options to unlock various playing styles. Complete certain tasks to unlock a new training style such as “Tiki-Taka,” “Sloppy,” “Goalkeeping,” or “Tricky.” Choose your preferred Action Ball: With the

introduction of the Out of Bounds (OB) rule in Fifa 22 Cracked 2022 Latest Version, your favorite stadium action will be even more furious when the ball is placed outside of the 18-yard box. The standard 360-degree boundary has been expanded to 18 yards both horizontally and vertically for those crazy moves. New set pieces: FIFA 22 sees a host of new set pieces for you to direct free-kicks and corner kicks. Turn the tables with 1-vs-1 and 2-vs-1 set-pieces, or play a sneaky move such as a blind

trapper to intercept the ball. Sand Drag: You can now drag the sand surface in front of you to do full power runs with fake-tackles and pull off surprisingly clean stops.

NEW RACES: In this FIFA title, football fans will have the option of playing the newly-introduced and expanded UEFA Champions League or UEFA Europa League. The game will feature all 22 teams of the 2018/2019 season, including clubs from the top European Leagues such as Juventus F.C. (Italy), AS Roma (Italy), Bayern Munich

(Germany), Manchester United F.C. (Great Britain), and Real Madrid F.C. (Spain). In addition, fans will also be able to play in the UEFA Europa League between teams from the 2017/2018 season.

PLAYER EDITING: An all-new and expanded customization menu allows players to customize key characteristics, including physiques, hair, and shoes. **New Ceremonies:** The all-new UEFA Champions League and UEFA Europa League, Final, Glory, and Celebration Masks offer fans a

spectacular view of the celebratory moments from each of the teams. The goalkeepers in this FIFA will now use an improved pressure and reaction system. Player Morale: Ultimate Team Members are now able to experience a better, more immersive match atmosphere, thanks to the introduction of voice communication. Mus
